ABSTRACT

This handbook is for the use of recipients of any of the three interrelated scholarship programs (Health Professions Preparatory Scholarship, Health Professions Pregraduate Scholarship, and Health Professions Scholarship) implemented to train the professional health personnel to staff Indian Health Service (IHS) programs to satisfy the requirements of the Indian Health Care Improvement Act, Public Law 94-437. The introduction notes the handbook provides immediate access to guidance for situations not before encountered, the names and addresses of IHS scholarship personnel, and necessary forms. These forms include the enrollment and initial program progress report which must be filled out at the beginning of each semester, tutorial assistance request forms, and applications for extern selection. Five types of grant action are described in the handbook: initial, continuation, supplemental, change-administrative, and extension awards. A description of scholarship benefits discusses how the IHS pays for tuition and related fees, including equipment and travel reimbursement, and describes fees not covered by the program. A student service agreement which obligates the graduate to work for IHS a minimum of two years is discussed as well as the penalties and fines for noncompliance or academic failure. Government job applications and a study plan example are provided in the appendix. (PM)

INTRODUCTION

Congratulations! In the Indian Health Care Improvement Act, Public Law 94-437, the Congress and the President of the United States established a national goal: "to provide the quantity and quality of health services which will permit the health status of Indians to be raised to the highest possible level." To accomplish this goal, the Act, and subsequent amendments of 1980, authorize the Indian Health Service to conduct three interrelated scholarship programs to train the health professional personnel necessary to staff IHS health programs and other health programs serving the Indian people. You are the recipient of one of the following scholarship programs:

Health Professions Preparatory Scholarship Program - Section 103

Health Professions Pregraduate Scholarship Program - Section 103P, or

Health Professions Scholarship Program - Section 104.

The administration of this program is a complex job and involves an array of requirements for which YOU ARE DIRECTLY RESPONSIBLE. These requirements cover the gamut from financial benefits, such as payment for books and travel, to report matters, such as course load and academic standing to maincain scholarship support, and application for placement to satisfy your payback obligation.

The Handbook is intended for use by all IHS scholarship recipients. It is designed to enhance your knowledge and understanding of the reporting requirements you must fulfill to receive scholarship support. Used properly, this Handbook curtails time-consuming correspondence or costly telephone calls. It gives you immediate access to guidance for situations not previously encountered. It also contains a sufficient supply of all the forms you may need and contains the names and addresses of IHS personnel you may need to contact.

Questions or matters requiring clarification should be directed to your IHS Area/Program Office Scholarship Coordinator.

NOTICE OF GRANT AWARD

Enclosed with your notification of scholarship award is the Notice of Grant Award (NOGA) and the grant award conditions which you must fulfill in order to receive funding under the scholarship. The NOGA is the official legal document between the Indian Health Service (IHS) and you awarding the scholarship and obligating the IHS to pay the costs of the scholarship. You should retain the NOGA and all future award documents for your records.

You should familiarize yourself with the NOGA and understand what the information on it means. Refer to page A-03 for a sample of the NOGA and a description of what each line means.

TYPES OF GRANT ACTION

There are five types of award and modification actions for which the standard NOGA form is used and which will probably, at some point during your scholarship, affect you. These actions are:

(1) Initial Award - This action funds the first "budget period" of the scholarship. The budget period (item 7 on the NOGA) is usually 12 months for Section 104 students and 10 months for students under Sections 103 and 103P. The budget period represents the period of time during which you will be paid stipend and during which the IHS will pay the costs of your tuition. If you incur costs before or after the dates of the budget period, you are not covered by the scholarship and these costs will not be paid by the IHS. (See page A-04 for sample initial award.)

(2) Continuation Award - This action funds renewals of your scholarship for each budget period beyond the initial one. (See page A-05.)

(3) Supplemental - This action is used to add monies during a budget period for increases in such items as tuition (based on actual billing by the school), special equipment, tutorial services, etc. Check the "Remarks" section of the NOGA for explanation of why the additional funds were awarded. There are also negative supplemental actions used to decrease funds from a scholarship that has been terminated. (See page A-06.)

(4) Change - Administrative - This action is merely a "housekeeping" document officially changing name, address, school, etc. It does not change the amount of money in the budget period. Check the "Remarks" section of the NOGA for explanation of the reason for the change. (See page A-07 for a sample change document.)

(5) Extension - This action extends the "budget period" to allow a Section 103 or 103P student to attend summer school or to allow a Section 104 student to complete an additional short period of time necessitated by a change in graduation date. Extensions usually involve the addition of funds to cover costs such as stipend and tuition for the period of extension. (See page A-08 for a sample.)

NOTICE OF GRANT AWARD

It is your responsibility to check all NOGAs which you receive and to alert your Area/Program Scholarship Coordinator if any information appears incorrect. For example, if your budget period ends in December and you do not plan to graduate until June, it is your responsibility to contact your Area/Program Scholarship Coordinator and request an extension of your scholarship.

NOTICE OF GRANT AWARD

Grant Award Conditions

A copy of the Notice of Grant Award Conditions applicable for the school year is attached to the initial or continuation Notice of Grant Award sent to you. These conditions are of two types, standard and special.

Standard conditions are general conditions applicable to all scholarship recipients. They include: academic and reporting requirements which you must fulfill in order to receive scholarship support; information on payments; and, for Section 104, penalties and service obligation requirements.

Special conditions are specific requirements placed on individual students, as needed. Special conditions must be fulfilled in order to continue receiving scholarship support during a budget period. These requirements usually have deadline dates that must be met. Examples of special conditions are: submission of a Section 104 contract; probationary period for raising GPA; and requirement that student change to an accredited program.

You are responsible for reading the Notice of Grant Award Conditions carefully and for meeting all requirements, including any special conditions placed on your award. Your failure to fulfill both the standard and the special conditions will put your scholarship in jeopardy of termination.

PUBLIC LAW 94-437 TITLE I SCHOLARSHIP PROGRAM
CONDITIONS OF GRANT AWARD
1985-1986 SCHOOL YEAR

INTRODUCTORY INFORMATION

PLEASE READ THESE STANDARD AND SPECIAL CONDITIONS CAREFULLY. Your failure to comply with them is grounds for termination of your scholarship award. The Public Law 94-437 Title I Scholarship, Program Student Handbook, Academic Year 1985-1986, provides general program information and specific guidance to assist you in complying with the scholarship requirements. Grantees who comply with these requirements are eligible for continued scholarship support beyond the budget period listed in item 7 of the Notice of Grant Award (NOGA) and in accordance with the provisions of the Act.

STANDARD CONDITIONS

I. IHS PERSONNEL INVOLVED WITH YOUR SCHOLARSHIP AWARD

A. Scholarship Coordinator

The address and telephone number of your Indian Health Service (IHS) Area/Program Office scholarship coordinator is listed in item 10 of the Notice of Grant Award. The role of the scholarship coordinator is to serve as your primary contact within the IHS for technical and programmatic questions and problems, to monitor your academic performance, and to provide assistance with any problems related to the scholarship or your academic performance.

B. Grants Management Officer

The grants management officer, IHS, is M. Kay Carpentier, Parklawn Building, Room 6A-29, 5600 Fishers Lane, Rockville, Maryland 20857; telephone number (301) 443-5204. The role of the grants officer is to complement the programmatic knowledge of the scholarship coordinator with expertise in administrative and non-programmatic areas such as issuance of grant awards and coordination of payments for tuition, travel, and stipends.

C. Headquarters Branch Chief

The role of the headquarters branch chief of your particular health discipline is to monitor your academic performance to assure your success in your health education. The branch chief also assists Section 104 recipients with Extern Placement and with placement to begin and complete Service Obligation Payback. Please refer to the Student Handbook for a listing of the headquarters branch chiefs.

II. ACADEMIC REQUIREMENTS

It is the policy of the Indian Health Service (IHS) that a recipient of a scholarship awarded under Sections 103 or 104 of the Indian Health Care Improvement Act must maintain a 2.0 cumulative grade point average and must be a full-time student (minimum of 12 credit hours). A grantee receiving a scholarship under the Section 103 Pregraduate Scholarship authority must maintain a 2.5 cumulative grade point average and must be a full-time student to be eligible for continuation. In addition to the two other requirements stated above, a Section 104 grantee must also be enrolled in an approved/accredited school for a health profession.

III. REPORTING REQUIREMENTS

The following reports must be sent to the IHS Area/Program Office scholarship coordinator identified in item 10 of the Notice of Grant Award as required below. If you fail to submit these reports as required you will be ineligible for continuation of scholarship support and your award will be terminated.

A. Recipient's Enrollment and Initial Program Progress Report

Within 30 days from the beginning of each semester or quarter, you must submit a Recipient's Enrollment and Initial Progress Report (see Student Handbook for form), signed by your school advisor or the registrar's office, verifying that you are enrolled in a full-time course load for the semester/quarter. A full-time course load is a minimum of 12 credit hours or the number of credit hours considered by your school as full-time. You must also submit a course curriculum outline, approved by your advisor, for your chosen health program.

B. Transcripts

Within thirty days from the end of each academic period, i.e., semester, quarter, or summer session, submit an OFFICIAL transcript for the academic period completed.

. Notification of Academic Problem/Change

If at any time during the semester/quarter you reduce the number of credit hours for which you are enrolled below the minimum of 12, or if you experience academic problems, you must submit this report (see Student Handbook for form). If you are enrolled in at least 12 credit hours and are doing satisfactorily in all classes (at least a "C" or better), DO NOT SUBMIT THIS REPORT unless you want to alert your scholarship coordinator of a special problem you are experiencing or to request assistance, e.g., tutorial service or approval to drop a course.

D. Change of Status

1. Change of Academic Status

You must immediately notify the scholarship coordinator if you are placed on academic probation, are dismissed from school, or voluntarily drop for any reason (personal or medical).

2. School Transfer Request

Refer to the Student Handbook for acceptable reasons for transfer. At least 30 days prior to the time of transfer from the school cited on the NOGA, you must request approval of the change. State clearly the reason for the transfer and submit an acceptance letter from the school to which you are requesting transfer and verification of the number of earned college credits that will be transferable. You will be notified of the approval/disapproval of such a request. If you change schools without IHS approval, you will be dropped from the scholarship program.

3. Change of Major

You may not change from the approved major listed in item 8 of the NOGA during the school year. If you make an unapproved change, you will be dropped from the scholarship program. (See the Student Handbook for instructions on how and when you may change majors.)

4. Change in Graduation Date

At any time that a change occurs in your expected graduation date, notify your Scholarship Coordinator.

5. Program Change

Provide supportive documentation when requesting change from Section 103 to 104 (letter of acceptance from your chosen health professional program) or from 104 to 103 (verification that you are enrolled in a preparatory courses).

IV. PAYMENTS

A. Tuititon

The IHS Office, Rockville, Maryland arranges payment of all tuition and other mandatory fees, such as laboratory fees, upon receipt of a bill from your educational institution. The tuition amount, Illj of the Notice of Grant Award, is only an estimate for fall, winter, and spring sessions; it will be revised to cover all tuition costs as billed by the college or university. Payment of tuition and fees is made directly to the educational institution.

Summer school tuition and costs must be requested and approved in advance by the IHS. See the Student Handbook for additional information and for the required form.

B. Stipend, Books, Miscellaneous Educational Expenses, and Travel

You will receive the first stipend check by August 15, and monthly stipend checks thereafter by the first of the month. (See the Student Handbook regarding lost checks.)

The first check contains money for books for the Fall, Winter and Spring terms; miscellaneous educational expenses including $25.00 for post office box rental; and travel.

V. SECTION 104 PENALTIES

It is your responsibility to read and understand the IHS contract. In brief, the contract provides three penalties to which the Section 104 scholarship recipient is subject:

1. $1,500 fine if the Section 104 recipient, after both parties (recipient and representative of the U.S. Government) have signed the Indian Health Scholarship Program Contract, fails to accept payment or instructs the health professions school not to accept scholarship award payments or otherwise declines to accept the scholarship award. See special Warning of Liability, page 13.

2. Repayment of ALL scholarship funds paid directly to the student and on his/her behalf to a health professions school if the Section 104 recipient fails to maintain the required level of academic standing in the scholarship-funded curriculum, is dismissed from the health professions school for disciplinary reasons, or voluntarily terminates the curriculum for which scholarship is awarded.

3. Repayment of an amount equal to THREE TIMES the scholarship funds paid directly to the Section 104 recipient and on his/her behalf to the educational institution, plus interest at the prevailing interest rate, if student fails to begin or complete the period of service obligation.

VI. EXTERNSHIPS FOR SECTION 104 RECIPIENTS

A. Individuals receiving Section 104 scholarships are entitled to employment by the IHS for up to 120 days per calendar year during any non-academic period in accordance with the provisions of Section 105 of the Act. Section 104 scholarship recipients who will be graduating this academic year are not eligible. Refer to the Student Handbook for specific academic requirements.

B. Application: Each student must submit a Personal Qualifications Statement (SF 171) and the Extern Assignment Preference Form to your Area/Program Office Extern Coordinator. Deadline date for receipt of forms is close of business on February 1 or postmarked by midnight on January 29. Refer to the Student Handbook for additional information on the Extern Program and for forms.

VII. SERVICE OBLIGATION

Subject to applicable regulations and to the Indian Health Scholarship Program Contract, there is a requirement that a Section 104 recipient serve one year for each year of scholarship support which he/she receives. Minimum period of service is two years. The IHS will review assignment opportunities with each graduating student in the final school year and will work with the student to confirm an assignment. However, the ultimate responsibility for seeking a position is the scholarship recipient's.

The Director, IHS, reserves the right to make final decisions regarding assignment of scholarship recipients to fulfill their service obligation. Priority for assignment of graduates is currently given to placement in IHS facilities with vacant positions. Therefore, although the IHS will attempt to place the graduate in the geographic location of his/her choice, this may not be possible and the graduate may be required to take a position in another area.

In your the last year of your health professions program prior to your graduation, you must submit the required forms to the IHS Service Obligation Coordinator making application for either the Civil Service or the Public Health Service Commission Corps. Refer to the Student Handbook for additional information, specific deadline dates, and required forms.

SPECIAL CONDITIONS

This is applicable only if a special requirement or restriction has been added below.

BENEFITS OF THE SCHOLARSHIP

TUITION AND REQUIRED FEES

The IHS Office, Rockville, Maryland arranges payment of all tuition and other mandatory fees, such as laboratory fees, upon receipt of a bill from your educational institution. The tuition amount, 11J of the Notice of Grant Award, is only an estimate; it will be revised to cover all tuition costs as billed by the college or university. Payment of tuition and fees is made directly to the educational institution.

The scholarship program will pay for tuition and fees directly applicable to the student's approved curriculum and program. Payment will not be made for tuition and fee items unrelated to the approved program, e.g., membership dues for student societies, associations, and similar expenses, or for school terms that begin prior to the beginning date of the scholarship award or after the expiration date of the scholarship award.

The IHS will not pay tuition, fees, and other costs for summer school unless you have requested and received prior approval. Specific instructions regarding appropriate procedures for requesting approval are contained on page G-03 of this Handbook.

UNIVERSITY REIMBURSEMENT FOR TUITION AND FEES

You are not responsible for paying your tuition and fees. The IHS does this; however, you should be aware of the process. The IHS billing instructions for universities regarding payment for your tuition and fees follow.

University/College Financial Office:

The student whose Notice of Grant Award (NOGA) is attached has been awarded a scholarship grant for the 1985-1986 school year from the Indian Health Service (IHS), Department of Health and Human Services, under the authority of P.L. 94-437, The Indian Health Care Improvement Act, Title I, Indian Health Manpower. This NOGA is the official legal notification of the student grant. Additionally, the scholarship budget and the total amount of the award are listed on the first page.

The IHS will pay tuition and all mandatory fees directly to the university/college upon receipt of a properly submitted university/college invoice. Note that the amount listed for tuition on the NOGA is only an estimate and will be adjusted as necessary to pay the full invoice amount. This estimated amount is for Fall, Winter, and Spring sessions only. The IHS will pay summer school tuition ONLY if the student has requested and received prior written approval from the IHS to attend summer sessions.

Follow these instructions carefully to avoid payment problems. Please send all invoices to:

Indian Health Service
ATTN: Grants Management
Parklawn Building, Room 6A-29
5600 Fishers Lane
Rockville, Maryland 20857

The IHS can assure expedited payment of tuition and fees if you submit a separate invoice for each student which contains the following information:

(1) university/college invoice number,
(2) name of student,
(3) amount of tuition and itemized fees,
(4) period for which tuition and fees apply, and
(5) the student's grant number which appears as Item 4 on the NOGA, e.g., ISF001234.

Payment delays result when any of these items are missing.

NOTE: PLEASE SUBMIT A SEPARATE INVOICE FOR EACH STUDENT. AN INVOICE WHICH CONTAINS MULTIPLE NAMES WILL DELAY PAYMENT.

The IHS pays directly to the student a stipend of $577 per month which is to cover room, board, and personal expenses. Thus, the IHS will not pay dormitory and meal costs. The student is responsible for payment of these expenses.

Each student also receives a lump sum payment at the beginning of each scholarship year to pay for: (1) books (Fall/Winter/Spring sessions), (2) miscellaneous costs, and (3) travel for one round trip to and from the university/college. The student is responsible for payment of all books, equipment, and supplies. The IHS will not pay invoices from the university/college bookstore.

If you encounter any problems with the payment of invoices or if you have questions, please call the grants office at (301) 443-5204 and the grants staff will assist you.

It is our sincere hope that the student's academic experience with your institution will be rewarding and our professional association pleasant.

Sincerely,

M. Kay Carpentier

BENEFITS OF THE SCHOLARSHIP

STIPEND FOR STUDENT LIVING EXPENSES

During the 1985-1986 school year, the IHS scholarship program will pay a stipend of $577.00 at the beginning of each month for living expenses to include room and board. The first stipend check for the new school year will be mailed about August 15.

Awardees for Section 103 and 103P will receive a stipend only for the academic period covered by their awards -- August 1 to May 31. A stipend for the months of June and July will be paid only to those 103 and 103P students who have requested and been approved in advance to attend summer sessions.

Awardees for Section 104 will receive a stipend for a twelve-month period beginning August 1 through July 31.

ADDRESS FOR STIPEND CHECK RECEIPT

You must either establish an account with a bank, credit union, or savings and loan for DIRECT DEPOSIT of the stipend to your account OR obtain a post office box to serve as your stipend receipt address for the period of the grant award. Federal Treasury checks cannot be forward. If you have arranged for direct deposit, you must also submit Form 1199A, Department of Treasury Authorization of Federal Recurring Payment, which is available from your bank or financial institution or from your Area/Program Scholarship Coordinator.

THIS STIPEND RECEIPT ADDRESS WILL NOT BE CHANGED DURING THE ENTIRE 1985-86 YEAR OF SCHOLARSHIP FUNDING. You will not be allowed to change this address unless you change schools and relocate to another city.

Since Federal checks canrot be forwarded, this requirement is necessary to prevent delay and/or loss of stipend checks. Previous scholarship recipients have encountered delays of up to eight weeks in receiving their stipend checks when addresses have been changed.

BENEFITS OF THE SCHOLARSHIP

BOOKS, MISCELLANEOUS EDUCATIONAL EXPENSES, AND TRAVEL

The first check contains money for books, miscellaneous educational expenses, travel for the Fall, Winter, and Spring terms, and includes $25.00 for post office box rental for receiving the monthly stipend check. You must pay for all books. IHS does not pay school bookstore invoices. It is your responsibility to obtain health insurance, and you are URGED to enroll in a good school health plan. Funds to pay at least part of the costs of health insurance are included in miscellaneous education expenses. The travel advance is for ONE round-trip to school and return via private car, bus, etc., for the entire school year. You will not be reimbursed for moving expenses and daily mileage to and from school.

The scholarship program will not pay for any additional expenses incurred by the recipient over the lump sum amount unless the expense is specifically required by the school and adequate documentation is submitted. An example of an allowable expense is dental equipment. If you are enrolled in the health discipline and submit an itemized listing of the dental equipment you must have under the program, the IHS will pay for the equipment. However, your request must be countersigned by your academic advisor and verified as being mandatory for your program.

ACCEPTANCE OF OTHER FEDERAL BENEFITS

VETERANS BENEFITS

Education benefits from the Veterans Administration (G.I. Bill) may continue along with the IHS scholarship program funds since these VA benefits were earned by prior active duty in a uniformed service.

BENEFITS FROM OTHER FEDERAL PROGRAMS

The IHS will not award a scholarship to any student who is receiving other Federal funds in the form of scholarships, loans, or grants, e.g., funding from the Bureau of Indian Affairs and loans from the Department of Education. Current employees of any Federal government agency are also ineligible for scholarship funding.

LOST STIPEND CHECKS

LOST CHECKS

Your first check should reach you by August 15 and no later than the first of each month thereafter. If you do not receive your check by the 5th of the month, immediately submit the following letter and explain why the check was not received.

The letter initiates tracing action on the check. If the check is returned to the Treasury Department it will be reissued within two weeks of return. If the check is lost, it may take up to eight weeks for the Treasury Department to reissue the check.

Changes of address are the primary reason for missing and lost checks. To prevent the delay and inconvenience of a missing check, IHS stresses use of either direct deposit or a post office box for receipt of your stipend check.

CHANGE OF STATUS

ACADEMIC PROBATION

You must notify your Area/Program Scholarship Coordinator immediately if you are placed on academic probation. Such notification will alert your coordinator that you need special assistance such as tutorial services or reduction of course load. The coordinator will advise you on alternatives that may help you.

WITHDRAWAL FROM SCHOOL

If you are considering voluntarily withdrawing from school for any reason (personal or medical), you should inform your Area Scholarship Coordinator prior to actually dropping your classes. Your coordinator may be able to advise you of alternative courses of action that will allow you to continue in the scholarship program. If you do withdraw from school, your coordinator must be notified immediately in order to stop your stipend checks. If you fail to notify IHS and you continue to cash stipend checks, you will be liable for return of all funds to which you were not entitled.

DISMISSAL FROM SCHOOL

You must notify your Area/Program Scholarship Coordinator immediately if you are dismissed from school. If you fail to notify IHS and you continue to cash stipend checks, you will be liable for return of all funds to which you were not entitled.

CHANGE OF MAJOR

You may not change from the approved major listed in item 8 of the NOGA major during a school year. If you make an unapproved change, you will be dropped from the scholarship program.

If you wish to change majors, you must do so when you apply for continuation of your scholarship. The major to which you are changing must be one of the IHS priority categories listed for the new scholarship cycle. Also, you must apply and recompete as a new applicant.

In addition to information required for all new applicants, submit documentation to verify the number of hours earned and transferable from your current program major into the new major you are requesting.

CHANGE OF STATUS

SCHOOL TRANSFER REQUEST

At least 30 days prior to the time of transfer from the school cited on the NOGA, you must request approval for the change. State clearly the reason for the transfer.

You may request a transfer of schools during the school year for only two (2) reasons:

1. To change from a school with a nonaccredited program in your health discipline to a school with an accredited program.
2. To change from a school that does not offer courses required for your health professions degree to a school offering the necessary courses.

Personal and/or family hardships which may necessitate school transfer will be considered on an individual basis.

You must submit a school acceptance letter which specifies entry into a specific health professions program with your request. Also submit documentation to verify the number of hours earned and transferable from your current school to the school you are requesting to attend.

You will be notified of the IHS's approval/disapproval of the request. <u>If you change schools without prior approval of the IHS, you will be dropped from the scholarship program</u>.

CHANGE IN GRADUATION DATE

At any time that a change occurs in your expected graduation date, notify your Area/Program Scholarship Coordinator.

PROGRAM CHANGE

Provide supportive documentation when requesting change from Section 103 to 104 (letter of acceptance from your chosen health professional program) or from 104 to 103 (verification that you are enrolled in preparatory courses and a copy of your proposed curriculum).

SECTION 104
PENALTIES AND SERVICE OBLIGATIONS - SECTION 104

SECTION I

PENALTIES FOR VIOLATION OF THE INDIAN HEALTH SCHOLARSHIP PROGRAM CONTRACT FOR SECTION 104

It is your responsibility to read and understand the IHS contract. In brief, the contract provides three penalties to which the Section 104 scholarship recipient is subject:

FINE

A $1,500 fine if the Section 104 recipient, after both parties (recipient and representative of the U.S. Government) have signed the Indian Health Scholarship Program Contract, fails to accept payment or instructs the health professions school not to accept scholarship award payments or otherwise declines to accept the scholarship award.

REPAYMENT FOR ACADEMIC FAILURE OR OTHER TERMINATION

Repayment of ALL scholarship funds paid directly to the student and on his/her behalf to a health professions school if the Section 104 recipient fails to maintain the required level of academic standing in the scholarship-funded curriculum, is dismissed from the health professions school for disciplinary reasons, or voluntarily terminates the curriculum for which scholarship is awarded.

REPAYMENT FOR GRADUATE WHO REFUSES TO FULFILL SERVICE OBLIGATION

If a Section 104 recipient graduates and refuses to begin or to complete the period of service obligation, repayment is an amount equal to THREE TIMES the scholarship funds paid directly to the recipient and on his/her behalf to the educational institution plus interest at the prevailing interest rate.

FOR SECTION 104 SCHOLARSHIP APPLICANTS ONLY

INDIAN HEALTH SCHOLARSHIP PROGRAM CONTRACT

Section 757 of the Public Health Service Act (42 U.S.C. 294y-1) authorizes the Secretary of Health and Human Services (Secretary) to award "Indian Health Scholarships" under the National Health Service Corps Scholarship Program established by section 751 of the Act. Regulations specifically applicable to the Indian Health Service Scholarship Program were published on November 18, 1977 in 42 Federal Register 59651. Applicants selected to participate in the Indian Health Scholarship Program ("Scholarship Program") will be provided a scholarship award in return for their agreement to perform a period of obligated service in (1) the Indian Health Service, (2) an urban Indian organization assisted under Title V of the Indian Health Care Improvement Act, or (3) under certain conditions in the private practice of his or her profession.

Section 751(b)(4) requires applicants to submit with their applications a signed contract stating the terms and conditions of participation in the Scholarship Program. The Secretary will sign only those contracts submitted by applicants who are selected for participation and to whom a scholarship award will be made. The terms and conditions of the contract are set out below:

Section A - Obligations of the Secretary

Subject to the availability of appropriated funds for the Indian Health Scholarship Program, the Indian Health Service, and Title V of the Indian Health Care Improvement Act, the Secretary agrees to:

1. Provide the undersigned applicant ("applicant") with a scholarship award for the school year 1985-1986 during which the applicant:
   a. is enrolled, or is accepted for enrollment, as a full-time student in an accredited (as determined by the Secretary) educational institution in one of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Northern Mariana Island, the Virgin Islands, Guam, American Samoa or the Trust Territory of the Pacific Islands, and
   b. is pursuing a course of study leading to a degree in medicine, osteopathy, dentistry, or other health profession which has been approved by the Secretary for participation in the Scholarship Program.

SERVICE OBLIGATION UNDER HEALTH PROFESSIONS SCHOLARSHIP SECTION 104

Subject to applicable regulations and to the Indian Health Scholarship Program Contract, there is a requirement that a Section 104 recipient serve one year for each year of scholarship support which he/she receives. Minimum period of service is two years. The IHS Headquarters Branch Chief for your academic discipline will review assignment opportunities with each graduating student early in the final school year and will work with the student to confirm an assignment. However, the ultimate responsibility for seeking a position is the scholarship recipient's.

The Director, IHS, reserves the right to make final decisions regarding assignment of scholarship recipients to fulfill their service obligation. Priority for assignment of graduates to fulfill the service obligation is currently given to placement in IHS facilities. Tribal health programs are considered to be within this IHS category.

In the event that an IHS or tribal placement cannot be arranged, you may develop an assignment in: 1) an urban Indian organization assisted under Title V of P.L. 94-437, or 2) private practice in a designated health manpower shortage area which addresses the health care needs of a substantial number of Indians.

Every effort will be made to assign you to the IHS geographic area of your preference; however, this may not be possible and you may be assigned to another IHS geographic area where there is an existing need.

APPLICATION

Graduating students may apply for employment through the Federal Civil Service or the Public Health Service Commissioned Corps. If you apply for the Civil Service, you must submit a complete application consisting of:

1. Personal Qualification Statement - Standard Form 171 - See Appendix
2. Section 104 Service Obligation Preferred Assignment
3. Verification of Indian Preference for Employment (BIA Form 5-4432) - If you do not have this, you must contact BIA directly for this form.

If your health profession is any of the following, you may wish to apply for service through the Commissioned Corps: medical, dental, nursing (BSN), pharmacy, engineering, therapy, dietitian, sanitarian or master's level health professional training. To receive information and an application form for the Corps, contact the Headquarters Branch Chief for your academic discipline or Mr. John Gimon, Acting Chief, Health Manpower Support Branch. In addition to the Commissioned Corps Application, the following should be included

1. Section 104 Service Obligation Preferred Assignment
2. Verification of Indian Preference for Employment (BIA Form 5-4432) - If you do not have this, you must contact BIA directly for this form.

When you submit your application form to the IHS, be sure to indicate clearly that you are a scholarship program graduate. This will assure that you receive priority consideration for jobs for which you qualify.

- So that it is understood that you did not omit an item, please write the letters "N/A" (Not Applicable) beside those items that do not apply to you, unless instructions indicate otherwise.

GENERAL INSTRUCTIONS

- If you are applying for a specific Federal civil service examination:
  - —Read the examination announcement or the Qualifications Information Statement for the position to be certain that your experience and education are qualifying.
  - —If a written test is required, follow the filing instructions on the admission card.
  - —If no written test is required, mail this Statement to the Office of Personnel Management Area Office specified in the announcement or on the Qualifications Information Statement.

  - —You may want to make a copy of this Statement for your personal use.
  - —Please typewrite or write legibly or print clearly in dark ink.

INSTRUCTIONS RELATING TO SPECIFIC ITEMS

ITEM 13. Lowest Grade or Salary

- Enter the lowest grade or the lowest salary you will accept. You will not be considered for any lower grades or salary. You will be considered for any higher grades or salaries for which you qualify as specified in the examination announcement or the Qualifications Information Statement.

ITEM 16. Other Government and International Agencies

- The Office of Personnel Management is occasionally requested to refer for employment consideration the names of eligibles on competitive registers to State and local government agencies, congressional and other public offices, and public international organizations. Indicate your availability by checking the appropriate boxes. Your response to this question will not affect your consideration for other positions.

ITEM 18. Overnight Travel

- Indicate the number of nights per month you are willing to be away from home in a travel status. Some jobs require nearly constant travel of two or three weeks every month while others require infrequent, short or occasional extended periods of travel. You will be considered for positions requiring travel based on the number of nights per month for which you indicate travel availability.

ITEM 20. Active Military Service and Veteran Preference

- Five-point veteran preference is granted to veterans who receive an honorable or general discharge from the armed forces:
  - (a) after active duty during the periods April 6, 1917 to July 2, 1921 and December 7, 1941 to July 1, 1955;
  - (b) after more than 180 consecutive days of active duty, any part of which occurred after January 31, 1955 and before October 15, 1976.
    NOTE—Service under an initial period of active duty for training under the "6-month" Reserve or National Guard programs is not creditable for veteran preference; and
  - (c) after service in a campaign for which a campaign badge has been authorized.
- Non-disabled veterans who retired at or above the rank of major or its equivalent are not eligible for veteran preference after October 1, 1980.
- You will be required to furnish records to support your claim for five-point preference only at the time of your appointment.
- Ten-point veteran preference is granted to:
  (a) disabled veterans; and
  (b) veterans awarded the Purple Heart.
  Ten-point veteran preference is granted in certain cases to:
  (a) unmarried widows and widowers of veterans;
  (b) spouses of disabled veterans; and
  (c) mothers of deceased or disabled veterans.
  If you claim ten-point veteran preference, submit Standard Form 15, Claim for 10-Point Veteran Preference, and the required proof with this application. Obtain SF 15 and information on provisions of the Veteran Preference laws at any Federal Job Information Center.
- A clemency discharge does not meet the Veteran Preference Act requirement for discharge under honorable conditions. Accordingly, no preference may be granted to applicants with such discharge.

ITEM 21. Experience

- Fill in these experience blocks carefully and completely. A large part of your qualifications rating depends upon a thorough description of your experience and employment history.
- If you fail to give complete details, you may delay consideration of your Statement. Your description of duties may be verified with former employers.
- If you supervise or have supervised other employees, be sure to indicate the number and kind (and grades, if Federal Government) of employees supervised, and describe your duties as a supervisor under Description of Work.
- Volunteer Experience—You may receive credit for pertinent religious, civic, welfare service and organizational work performed with or without compensation. Show the actual amount of time spent in such work (for example, average hours per week or month). Complete all the items just as you would for a compensable position.

PLEASE READ ADDITIONAL INSTRUCTIONS ON BACK OF THIS SHEET

PRIVACY ACT INFORMATION

The Office of Personnel Management is authorized to rate applicants for Federal jobs under Sections 1302, 3301, and 3304 of Title 5 of the U.S. Code. Personal Qualifications Statement

IMPORTANT

READ THE FOLLOWING INSTRUCTIONS CAREFULLY BEFORE FILLING OUT YOUR STATEMENT

- You must furnish all requested information. The information you provide will be used to determine your qualifications for employment. DO NOT SEND A RESUME IN LIEU OF COMPLETING THIS STATEMENT.
- If you fail to answer all questions on your Statement fully and accurately, you may delay consideration of your Statement and may lose employment opportunities. See the Privacy Act Information on the reverse of this sheet.
- So that it is understood that you did not omit an item, please write the letters "N/A" (Not Applicable) beside those items that do not apply to you, unless instructions indicate otherwise.

GENERAL INSTRUCTIONS

- If you are applying for a specific Federal civil service examination:
  - —Read the examination announcement or the Qualifications Information Statement for the position to be certain that your experience and education are qualifying.
  - —If a written test is required, follow the filing instructions on the admission card.
  - —If no written test is required, mail this Statement to the Office of Personnel Management Area Office specified in the announcement or on the Qualifications Information Statement.
  - —Be sure to include all other forms required.
  - —If you have a change of name or address, notify the Office of Personnel Management Area Office with which you filed this Statement.
  - —You may want to make a copy of this Statement for your personal use.
  - —Please typewrite or write legibly or print clearly in dark ink.

INSTRUCTIONS RELATING TO SPECIFIC ITEMS

ITEM 13. Lowest Grade or Salary

- Enter the lowest grade or the lowest salary you will accept. You will not be considered for any lower grades or salary. You will be considered for any higher grades or salaries for which you qualify as specified in the examination announcement or the Qualifications Information Statement.

ITEM 16. Other Government and International Agencies

- The Office of Personnel Management is occasionally requested to refer for employment consideration the names of eligibles on competitive registers to State and local government agencies, congressional and other public offices, and public international organizations. Indicate your availability by checking the appropriate boxes. Your response to this question will not affect your consideration for other positions.

ITEM 18. Overnight Travel

- Indicate the number of nights per month you are willing to be away from home in a travel status. Some jobs require nearly constant travel of two or three weeks every month while others require infrequent, short or occasional extended periods of travel. You will be considered for positions requiring travel based on the number of nights per month for which you indicate travel availability.

ITEM 20. Active Military Service and Veteran Preference

- Five-point veteran preference is granted to veterans who receive an honorable or general discharge from the armed forces:
  - (a) after active duty during the periods April 6, 1917 to July 2, 1921 and December 7, 1941 to July 1, 1955;
  - (b) after more than 180 consecutive days of active duty, any part of which occurred after January 31, 1955 and before October 15, 1976.
    NOTE—Service under an initial period of active duty for training under the "6-month" Reserve or National Guard programs is not creditable for veteran preference; and
  - (c) after service in a campaign for which a campaign badge has been authorized.
- Non-disabled veterans who retired at or above the rank of major or its equivalent are not eligible for veteran preference after October 1, 1980.
- You will be required to furnish records to support your claim for five-point preference only at the time of your appointment.
- Ten-point veteran preference is granted to:
  (a) disabled veterans; and
  (b) veterans awarded the Purple Heart.
  Ten-point veteran preference is granted in certain cases to:
  (a) unmarried widows and widowers of veterans;
  (b) spouses of disabled veterans; and
  (c) mothers of deceased or disabled veterans.
  If you claim ten-point veteran preference, submit Standard Form 15, Claim for 10-Point Veteran Preference, and the required proof with this application. Obtain SF 15 and information on provisions of the Veteran Preference laws at any Federal Job Information Center.
- A clemency discharge does not meet the Veteran Preference Act requirement for discharge under honorable conditions. Accordingly, no preference may be granted to applicants with such discharge.

ITEM 21. Experience

- Fill in the experience blocks carefully and completely. A large part of your qualifications rating depends upon a thorough description of your experience and employment history.
- If you fail to give complete details, you may delay consideration of your Statement. Your description of duties may be verified with former employers.
- If you supervise or have supervised other employees, be sure to indicate the number and kind (and grades, if Federal Government) of employees supervised, and describe your duties as a supervisor under Description of Work.
- Volunteer Experience—You may receive credit for pertinent religious, civic, welfare service and organizational work performed with or without compensation. Show the actual amount of time spent in such work (for example, average hours per week or month). Complete all the items just as you would for a compensable position.
- Use separate blocks if your duties, responsibilities, or salary have changed materially while working for the same employer. Treat each such change as a separate position.

PLEASE READ ADDITIONAL INSTRUCTIONS ON BACK OF THIS SHEET

ITEM 21. Experience *(Continued)*

NOTE—Experience gained more than 15 years ago may be summarized in one block if it is not pertinent to the type of position you applied for.

- Include your military or merchant marine service in separate blocks in order and describe major duty assignments.
- Indicate in each block of Item 21 the name under which you were employed if it was different from the name in Item 6 of this Statement. Show former name in parentheses after "Description of duties and accomplishments in your work."
- Indicate any period of unemployment exceeding three months and your address at that time on the last line of the preceding experience block.
- Block A—Describe your present position in this block. Indicate if you are now unemployed or if you have never been employed.
- Blocks B and C—Describe in Block B the position you held just before your present position and continue to work backwards using Block C.
- Enter the average number of hours per week you work. If you work part time, indicate the average number of hours per week you work.
- Description of Work—Describe each job briefly, including required skills and abilities. Describe any specialties and special assignments, your authority and responsibility, your relationships to others, your accomplishments, and any other factors which help to describe the job.
- If your job contains experience in more than one type of work (for example: carpentry and painting, or personnel and budget) estimate and indicate the approximate percentage of time spent in each type of work. Place the percentages in parentheses at the end of the description of work.
- If you need additional experience blocks:
  —Use Standard Form 171-A, Continuation Sheet; or
  —A plain sheet of paper approximately 8 by 10½ inches in size. Be sure to include all of the information requested in Item 21.

  If you need additional space to describe a position held:
  —Continue in Item 34, Space for Detailed Answers; or
  —Continue on a plain sheet of paper.
- Identify each plain sheet of paper used by showing your name, birth date, examination or position title, and the block under Item 21 from which the description is continued.
- Attach all supplemental sheets to the top of page 3.

ITEM 32. Relatives Employed by the United States Government

- A Federal official (civilian or military) may not appoint any of his or her relatives or recommend them for employment in his or her agency, and a relative who is appointed in violation of this restriction cannot be paid. Therefore it is necessary to have information about your relatives who are working for the Federal Government. In listing relative(s) in answer to question 32 include: father; mother; son; daughter; brother; sister; uncle; aunt; first cousin; nephew; niece; husband; wife; father-in-law; mother-in-law; son-in-law; daughter-in-law; brother-in-law; sister-in-law; stepfather; stepmother; stepson; stepdaughter; stepbrother; stepsister; half brother, and half sister.

CERTIFICATION

- Be careful that you have answered all questions on your Statement correctly and considered all statements fully so that your eligibility can be decided on all the facts. Read the certification carefully before you sign and date your Statement.
- Sign your name in ink.
- Use one given name, initial or initials, and last name.

STUDY AND ACADEMIC RESPONSIBILITIES

You, the student, are responsible for your academic progress and success. However, the IHS and the academic institution you are attending are available to provide the necessary support and assistance you require to ensure success. This section of the Scholarship Program Handbook describes some tips on studying and some requirements that are your responsibility.

Study Plan

You are responsible for developing a study plan and providing a copy of that plan to your Area Scholarship Coordinator each month. The study plan and scheduling system has three phases (see sample):

(1) Meet with the student advisor or a faculty person to get assistance in determining study problems and to develop a time management system.

(2) The student advisor or faculty person will help you develop a schedule that is time-managed. You are responsible for scheduling and meeting weekly with your advisor to make out new study plans and to assess the success of the previous week's plan (as well as to note changes in the previous week's plan). Your advisor will also provide tips for developing successful study habits as well as feedback to based upon the plan.

(3) You develop your study plan and independently monitor your progress.
